

CRAFT CROP

Benefitting SCCC's Youth Art Outreach Grants

September 21, 2019

Saturday, 9 AM-5 PM

Help fund the school projects of area art teachers by supporting this fundraiser for our S.C.C.C. Youth Art Outreach Grants.

A craft crop is a fun day to get projects off of your "to-do" list. Bring your projects, tools and supplies. Paper craft, sew, knit, bead or any other craft! Why not work on items to donate to our November Holiday Market?

- The Craft Crop is open to SCCC members and friends.
- Registration includes morning goodies — mini muffins & mini cinnamon rolls with coffee, lunch, hourly drawings, four "Make-It & Take-It" projects and more.
- Seating limited to 50. Make your reservation early. Let us know if you need electricity or a preferred location.
- Event registration is **\$25 received before Sept. 1**, \$30 received after Sept 1.
- Send checks made out to "SCCC" to:
